Don't Miss Your Cooperative's Annual Membership Meeting

The board of directors and the employees of Shelby Energy Cooperative are busy preparing the annual meeting for you, our members. Each year, months of planning go into this event so that we may shine for our members.

Shelby Energy Cooperative (SEC) is owned by the very individuals it serves with electric power. Our annual meeting is a once-a-year event where these member/owners can gather, enjoy a family-oriented atmosphere, listen to the business of the co-op, and ask questions regarding issues that affect SEC and the membership.

The evening's events are all about you, providing an opportunity for you to learn more about your co-op and how it operates. The cooperative business model puts members squarely in the driver's seat by placing decision-making in the hands of a member-elected board of directors.

The 2010 annual meeting will be held on **Thursday, June 24, at Henry County High School** in New Castle.

Please make plans to attend this annual event. We'd love to have you join us for the evening.

If you have special needs of accessibility, sign language, or need other assistance, we will do our very best to accommodate you. Please let us know your requests by June 4.
