A Touchstone Energy® Cooperative 

Line Technician Scholarship \$1,000

Shelby Energy Cooperative is committed to encouraging young men and women to pursue careers within the electrical utility industry. Electric cooperatives, like Shelby Energy Cooperative, make it possible for people to live, work and raise families in rural communities.

Line technicians are responsible for the success of our electrical systems. Line technicians have challenging yet rewarding careers that allow them to serve their communities, receive a good wage and provides many opportunities for advancement. They perform many different tasks in a variety of situations including installing, maintaining, and repairing electrical distribution lines, climbing and installing poles, and inspecting overhead and underground power lines.

Shelby Energy Cooperative is offering a \$1,000 scholarship for high school seniors who will attend an approved line technician training program in pursuit of the education and skills necessary to begin a career as a line technician.
